

Managing Users

I WOULD LIKE TO...

As your company changes over time, you will need to make changes (add, modify, delete) to your user base.

MODIFYING USERS

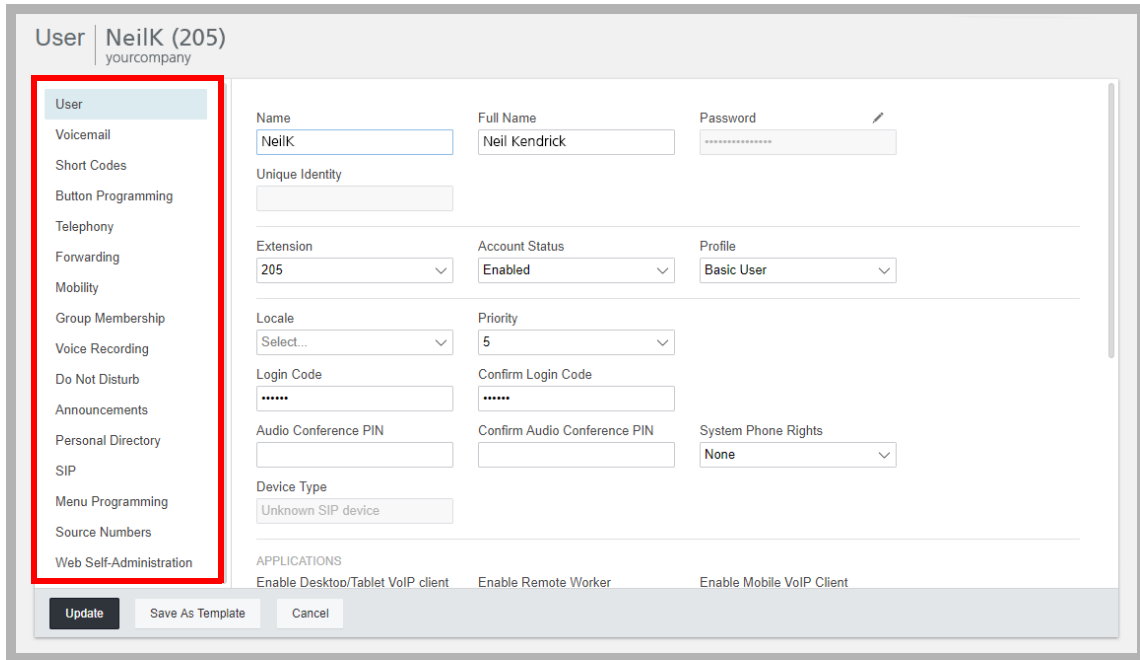

- Launch Web Manager and login using administrator credentials.
- Open the **Call Management** tab and click **Users**. All of the currently configured users are shown.

- Click a user to expand their row. Change any of the displayed options for that user, then click **Save**.

ADDING USERS

- Launch Web Manager and login using administrator credentials.
- Open the **Call Management** tab and click **Users**. All of the currently configured users are shown.
- In the upper right corner, click **+Add User**.

- Fill in the fields as required, then click **Create** when finished.

The screenshot shows the 'New User' form in the Avaya Web Manager. The form is titled 'User | NewUser' and includes a sidebar with various user configuration options. The main form area contains several input fields and dropdown menus. A red box highlights the 'Create' button at the bottom left of the form. The form fields include:

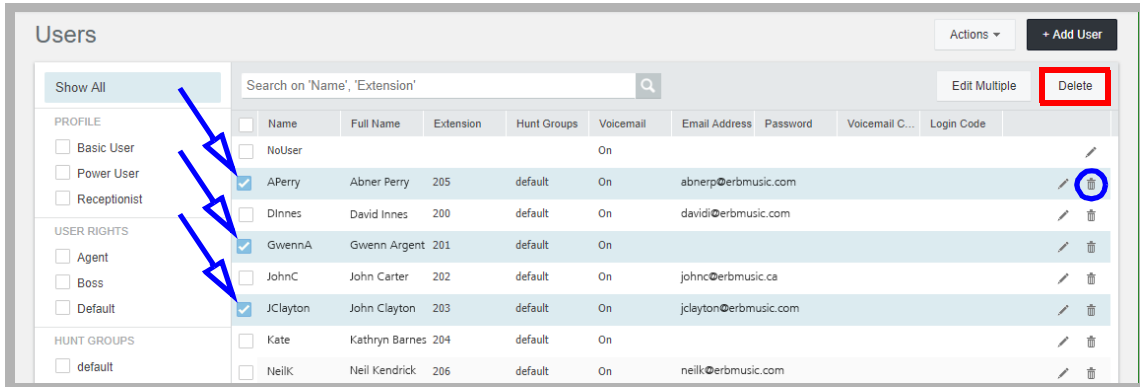

- Name: NewUser
- Full Name: [Empty]
- Password: [Empty]
- Confirm Password: [Empty]
- Unique Identity: [Empty]
- Extension: Select...
- Account Status: Enabled
- Profile: Basic User

- Login Code: [Empty]
- Confirm Login Code: [Empty]
- Audio Conference PIN: [Empty]
- Confirm Audio Conference PIN: [Empty]
- System Phone Rights: None
- Device Type: [Empty]

A red box highlights the 'Create' button at the bottom left of the form.

DELETING USERS

- Launch Web Manager and login using administrator credentials.
- Open the **Call Management** tab and click **Users**. All of the currently configured users are shown.
- Click the trash can icon  to the right of the user you want to remove. That user will be deleted from the list.

You can also place a check in the box to the left of each user to delete more than one at a time. Select all users to be removed and click **Delete** when ready.

The screenshot shows the 'Users' management interface. On the left, there are sections for 'PROFILE' (Basic User, Power User, Receptionist), 'USER RIGHTS' (Agent, Boss, Default), and 'HUNT GROUPS' (default). The main area is a table with columns: Name, Full Name, Extension, Hunt Groups, Voicemail, Email Address, Password, Voicemail C..., and Login Code. The table contains several users, with checkboxes in the first column. The 'APerry' user is selected. To the right of the table, there are buttons for 'Edit Multiple' and 'Delete' (highlighted in red). A trash can icon is visible next to the 'APerry' user row. Blue arrows point to the checkboxes for 'APerry', 'GwennA', and 'JClayton'. A red circle highlights the trash can icon for 'APerry'.
